

## ABOUT ERRIN

### *Facilitating a joint approach to the return and reintegration of migrants*

The **European Return and Reintegration Network (ERRIN)** is a consortium of 15 partner countries which facilitates the return and reintegration of migrants who cannot, or no longer wish to, remain in Europe. The network caters for a wide range of needs, providing counselling, referral, and reintegration assistance for persons returning to their country of origin.

Under the programme, IRARA is the contracted service provider to assist returnees, both voluntary and non-voluntary, with the first steps of their reintegration in Afghanistan.

ERRIN is funded through the European Union Asylum, Migration and Integration Fund (AMIF), with co-financing from participating national agencies.

## ARE YOU ELIGIBLE FOR SUPPORT?

If you are a national of Afghanistan and want or have to return from an ERRIN partner country (listed overleaf\*), you may be eligible to benefit from the programme.

Returnees can be both voluntary and non-voluntary of all ages and profiles, and may include:

- Asylum seekers
- Refused asylum seekers
- Regular and irregular migrants
- Unaccompanied minors
- Other vulnerable persons

Eligibility is determined by the responsible authorities in the partner country. Reintegration assistance will be provided only upon a positive verification check by those authorities.

If you have returned from a partner country and you have not yet applied for reintegration assistance you may still be eligible. Please contact the IRARA offices for more information.

## HOW CAN YOU APPLY?

You can apply through the ERRIN contact in one of the ERRIN partner countries. You can find out more information from your social worker or counsellor.

Your reintegration services are only activated after the approval of the ERRIN partner country.

If you have already returned to Afghanistan you can apply by contacting IRARA's local representatives using the contact details on the back of this form.

\*Please note that not all partner countries in the network use the reintegration assistance offered via ERRIN in Afghanistan at present time. This may be subject to change. Check with your counsellor for latest information.
